

## **Section L, Attachment 2**

The following Statement of Work will be used to award task order 0001 to each contractor who is awarded a contract under SATOC.

**Each Offeror proposing on the SATOC contract shall provide a statement indicating if they are selected for award that they will attend the SATOC Contractor's School at Tyndall AFB, FL and that they understand \$2500 will be the total price for this attendance (no more and no less). No pricing information is required with this statement; therefore it should be less than 1 page.**

**Award of this TO will be simultaneous with the award of the Basic Contract and will satisfy the contractual minimum guarantee as specified by the Minimum Guarantee clause in Section H of the SATOC Request for Proposal.**

**Submission of the statement indicated in paragraph 2 above shall be separate from, but submitted with, the basic contract proposal and shall be clearly marked with offeror identification.**

**STATEMENT OF WORK  
Sustainment/Restoration and Modernization Acquisition Task Order Contract  
(SATOC)  
CONTRACTOR'S SCHOOL  
SATOC TASK ORDER 0001  
29 Sep 2005**

### **1. OBJECTIVE**

This Performance Work Statement describes the requirements for the Contractor to attend and participate in an abbreviated, one-day SATOC Contractor's School to be held at Tyndall AFB, FL. The SATOC Contractor's School will be used to educate the SATOC contractor's on AFCESA organizational structure, AFCESA contracting processes, and provide a forecast into S/R&M requirements throughout the Air Force. Specifically, the Contractor will attend the School, participate in panel discussions and introduce their key personnel called out in the RFP along with all other technical, administrative and contract staff necessary to successfully interact with AFCESA and its customers in the execution of the SATOC contract. Each contractor shall attach contact information for all persons named on the organization chart and provide a copy of the chart and the contact information to AFCESA as a deliverable. (A008)

### **2. SCOPE**

The Contractor shall attend and participate in the SATOC Contractor's School at Tyndall AFB, FL. This Contractor's School is intended as a kickoff meeting for the SATOC contracts. AFCESA will explain the role of the SATOC Contractors in supporting AFCESA and its customers in upcoming construction requirements. Concerns of the SATOC Contractors will be aired and discussed with the intent of building an open, honest dialogue to help promote effective use of the SATOC program. Contract deliverables will be explained as they relate to the basic contract. Exact dates and time for this conference will be provided at the time of contract award.

### **3. TASKINGS AND DELIVERABLES**

The Contractor shall send the Program Manager and any other representatives whose roles will be integral to the management and contractual aspects of the SATOC contract to the Contractor's School at Tyndall AFB, FL. The SATOC contractor will be an active participant in the discussions and provide advice, offer opinions, and present views from other sectors of commercial, federal and private industry that may be used in helping AFCESA improve the administration and execution of its customers' construction requirements. This Contractor's School task order provides firm-fixed-price compensation in the amount of \$2500 for travel, per diem expensed, and labor costs for all attendees.
